# Spring General Conference Personal Progress Easter Egg Hunt

## Instructions:

Let's jumpstart our Personal Progress goals while enjoying General Conference! In this bag, you will find 12 Easter eggs. Each egg has a treat and a clue. Every half an hour or so (during a song preferably), open an egg. They do not have to be in any order, though the clues are numbered. Using the clue, fill in the missing words that go with the number on the fill-in-the-blank passage, and answer the questions on each clue using the journal pages provided. Whoever can text the correct full passage first, with all spots filed, will win a fun little treat! You MAY NOT finish the clues any sooner than the 2nd session of conference on Sunday. Also, there is a "golden" egg hidden somewhere in the eggs. Whoever finds the golden egg first, also gets a special treat! But don't cheat-just open one egg at a time! If you answer the questions on the eggs, you will have started 12 different Personal Progress experiences that only need a little bit more attention until they are finished!
